ALL ABOUT MEDLEYS

Medleys A Cappella is a community service-based all-gender a cappella group at UCLA. In its 22nd year, Medleys prides itself on engaging with the community, whether by singing for local events or various off-campus sites. Some examples of past events include caroling at Ronald Reagan Medical Center with the People Animal Connection and Reading to Kids. Our biggest event every year is the Love Notes fundraiser where students and UCLA community members can book us to sing and surprise loved ones before and on Valentine's Day. All proceeds are donated to the LA Downtown Women's Center to support women and children experiencing homelessness. Throughout all of our singing and service, we stand by our group motto:

"LOVE FOR PEOPLE, LOVE FOR MUSIC"

For more information about Medleys, check out our website designed by our very own Joy Cheng with help from Eric Wang!
