BY JOY CHENG AND ERIC WANG

Who We Are

Medleys A Cappella is a service-based group that combines a love for music and a desire to help the community.

Originally an organization of UCLA Medical School students, the undergraduate/graduate version was founded by Virginia Liu in 2003 and has become increasingly active since its conception.

Serenade Someone Special!

Are you looking for a fun, musical way to surprise a loved one this Valentine's Day? Well, look no further! Every year during the week of Valentine's Day, you can hire Medleys to serenade anyone you want.

We'll help you go all out for your boo, make your friend's day, surprise your favorite professor, or get your crush to notice you—all while supporting the [Downtown Women's Center](#)! (Seriously, our rizz is unmatched.)

Current Partnerships and Recent Events

Downtown Women's Center

Every year during the week of Valentine's Day, we raise money for the Downtown Women's Center through our Love Notes fundraiser during which we offer live and virtual serenades. This year, we delivered over 100 Love Notes and raised almost \$2,000! We had the privilege of celebrating the success of Love Notes by singing for the incredible women at the Downtown Women's Center.

[Learn more about the Downtown Women's Center](#)

Reading to Kids

For the March "Music and Entertainment"-themed reading club, we performed for the brilliant students at MacArthur Park Elementary School. We also expanded our volunteer experience beyond singing by reading to the students with the passionate volunteers at Reading to Kids.

Habitat for Humanity with

Ronald Reagan UCLA Medical Center with UCLA People-Animal Connection

This year, we had the honor of caroling for the amazing patients and dedicated staff at Ronald Reagan UCLA Medical Center alongside UCLA People-Animal Connection's talented dogs and wonderful team. We sang some classic Christmas and Hanukkah carols for the December holidays and some of our Love Notes songs for Valentine's Day.

Thanks for coming and supporting
MEDLEYS A CAPPELLA

program design by Lani Jacobson

special thanks to @jluongphotos for the amazing pictures as always
